Hi John!

Hope you're doing well I haven't seen you in a while! Thank you for giving us the information. I'm attaching the designs of what we want to do on the exterior of the building. We plan on painting the images (the grass, logo, etc.) so technically it's more of a mural than signage? Do we need to get a permit to have this done?

I read section 8 about signage so not even sure if this would be considered a

sign.

Thanks again John!

Hi Sam -

I received a question about signage going into your business - so I am sending you a link to tell you what is allowed according to our plan so that there is no issue down the road.

Since I do not know what your intending, click on the link below, go to Section 8 and take a look. If you have questions after, please feel free to give me a call.
